Life happens when you least expect it...

Carol Scott has everything planned. She'll finish her studies, do her internship, and return to Refuge to help run the medical center being built by her pack—the Ravens. When the time is right, she'll chose a male from her pack to mate with, push out a few pups, and life will continue—nice, neat, and orderly, just the way she likes it.

Then she meets Mark Johnson, sexy, handsome...human. Forbidden. A man who won't take no for an answer. He stirs her senses and even has her wolf sitting up and paying attention. What's a girl to do? Obey the rules or follow her heart and damn the consequences?

Then the choice is taken out of her hands.
