Dante A Urbina

¿Dios existe?: El libro que todo creyente deberá (y todo ateo temerá) leer (Spanish Edition) Dante A Urbina

Un amplio y profundo análisis que echa por tierra las falacias y sinrazones de incluso el más refinado e intelectualizado ateísmo refutando detallada y contundentemente a sus principales referentes (Stephen Hawking, Richard Dawkins, Graham Oppy, Jeffrey Jay Lowder, Bertrand Russell, Sebastián Faure, Immanuel Kant, David Hume, etc.). Imprescindible para todo aquel que busque una respuesta intelectualmente sólida sobre el fundamento de la existencia, y en especial para creyentes que busquen un sustento y defensa racional de la fe, agnósticos sinceros en busca de respuestas en uno u otro sentido y ateos intelectualmente honestos que estén dispuestos a aceptar el desafío de cuestionar su propio ateísmo. Este libro no solo reivindica y renueva filosófica y científicamente la profunda visión de las cinco vías de Santo Tomás de Aquino sino que aborda numerosas cuestiones relacionadas con ontología, epistemología, astrofísica, biología, etc. pero todo desde un lenguaje ameno y sencillo. Luego de leer este libro tu visión de la filosofía y la cuestión de Dios definitivamente no será la misma.
