High Country Baby (The Brands of Montana) Joanna Sims

All Taylor Brand wanted was a baby of her own

But at nearly forty and recently divorced, embarking on a "solo" trek on the Continental Divide Trail, her time was tight and her options slim. Maybe the curt cowboy who'd been charged with watching out for her was her best shot. After all, Clint McAllister was shadowing her on a high-country horseback trip for the money. Would he be up for being hired for something else?

Classy ladies like Taylor didn't normally give a rough rodeo-rider like him a second glance...much less ask him to father a baby. And while Clint didn't need an excuse to take Taylor to bed, he did wonder if this plan was perhaps the wisest. Who knew what would happen once he got to taste the forbidden?
