Love Like a Crucifix J. Peter Koenen

The cross is not an icon, but represents the single greatest act of love, combined with the single greatest moment of pain. And God's love for us is similar: He often walks us straight toward pain in order to take us through it, not around it, in order that we might experience the transformation that makes us more like His Son. "Love Like a Crucifix" is a book that will challenge readers to live in the tension between pain and love. It will help you understand how to live with contentment in moments of supreme joy as well as in moments of total hardship.
