Ultimate Bass Play-Along Journey: Authentic Bass TAB, Book & 2 Enhanced CDs (Ultimate Play-Along) Journey

Alfred's Ultimate Play-Along series gives you everything you need to jam with your favorite songs. This book contains authentic TAB transcriptions, music notation, lyrics, and chords to eight Journey classics. There are two versions of every song on the included CDs: an instrumental sound-alike recording, and an instrumental accompaniment track without bass so you can play along. When you use the CDs in your Mac or Windows-based computer, the TNT (Tone 'N' Tempo) Changer lets you easily loop sections for practice, slow tracks down or speed them up without changing the pitch, change the key, and switch back and forth between the full-instrumental and play-along tracks. Titles: Don't Stop Believin' * Faithfully * Lights * Lovin', Touchin', Squeezin' * Open Arms * Send Her My Love * Separate Ways * Who's Crying Now.
