For high school students all over the country, figuring out what to do after graduation is a major question. For many, the logical answer is continuing their education, whether in a training program, a community college, or a four-year university. But no matter what the path, the preparation can be overwhelming, and it's hard to know where to start. That's where *Undecided* comes in! This comprehensive handbook outlines the different options available to teens after high school and provides suggestions on how to follow each path efficiently and successfully. It covers everything from SAT preparation and personal statements to trade school pros and cons and advice on how to prepare for life in the military. Full of checklists, anecdotes, brainstorming activities, and journal exercises, *Undecided* leaves no stone unturned and no option unconsidered. So settle in, keep an open mind, and find the future that really works for you!
