Virginia's Historic Homes and Gardens

Pat Blackley, Chuck Blackley

Virginia's Historic Homes and Gardens Pat Blackley, Chuck Blackley

Home to Jamestown, the first permanent English settlement in the New World, Virginia is in many ways the birthplace of America and the home of U.S. history. It is also literally the birthplace of eight presidents and numerous Revolutionary and Civil War heroes. Virginia was among the wealthiest southern states in the antebellum period, resulting in a long tradition of stately homes on luxuriant plantations. In addition to their elegant architecture and classic southern styling, these homes feature some of the most extravagant and noteworthy gardens on the eastern seaboard.

From the James River Plantations to the Shenandoah foothills, Virginia's Historic Homes and Gardens celebrates the legendary houses and landscapes of Old Dominion. Virginia natives, the authors travel throughout the state to highlight the best of the famous and lesser-known homes. Including such national landmarks as George Washington's Mount Vernon and Thomas Jefferson's Monticello, the book brilliantly illustrates the homes' exteriors and interiors as well as their gardens and landscaping. Historical details accompany the exquisite color photographs, along with useful information on each site's location.
