What Happens Between Friends Beth Andrews

Friends...with benefits?

For Sadie Nixon, life is one big adventure with something new around the corner. And anytime she needs a break, she can always rely on James Montesano—the best guy she knows. This time when she arrives in Shady Grove, however, something is different. There's a little extra between her and James that has them crossing the line of friendship into one steamy, no-holds-barred night.

Afterward, no matter how hard she tries, Sadie can't erase the memories of James *that way*. He's so hot, so tempting.... But his life is here and hers isn't. She needs his friendship, but she doesn't do commitment. So where does that leave them? Suddenly what happens between friends is more complicated than ever!
