A Christmas novella.

All Tess O'Malley wants is a family of her own. To find the one made just for her. Surely that's not too much to ask? Is it? Maybe the one she's looking for is standing right in front of her.

All Burke Nason wants is Tess. He hasn't wanted to jeopardize their friendship by making a move. Maybe it's time to change all that.

Will Burke and Tess get it together in time for Christmas?

Of course they bloody will!

It is a Christmas story after all.

This novella contains a romantic heroine, a gentle giant hero and a whole lot of charm. There is one steamy scene that might offend those who dislike hot and passionate sex.
