This study guide is written as a supplement for personal or group study of the book on biblical counseling called *Women Helping Women* edited by Elyse Fitzpatrick and Carol Cornish (ISBN-10 1565076176). The various authors bring their experience and wisdom of Scripture to help us be prepared to counsel women that God brings into our lives. Biblical counseling is the process in which one believer (the counselor) verbally communicates with another believer (the counselee) with the intent of helping her overcome personal sin and grow in the Christian life according to God's Word. This study will cover how to biblically counsel from God's Word those who face such difficulties as struggling marriages, infertility, divorce, addictions, life dominating sins, singleness, dietary habits, rebellious teens, single parenthood, marriage to unbelievers, facing death, and more.
