When you haven't experienced anything before, isn't the best gift to have it all at once?

It's Samantha's birthday, but all she wants is to **lose her innocence** and **become a woman** — something that her **religious upbringing** completely denied. Now that she's old enough, the **man of the house** has decided that the best way to teach her something is to go full-out by bringing over a **bunch of his friends!** Now they're here to give Samantha a **taboo** lesson, and it's going to be **hard** and **without protection!**

The sample I have is too explicit to put here, but you can read it if you click on the book to look inside!

6,100 words, 18+ only
