Hero of the Futanari 1 (Futa Manga Erotica) (Futanari Universe) Pearl N. Lace

Nick decides one day to go on a hike in the woods and trips, sending him tumbling down the hill sustaining a concussion and other injuries. When he wakes up, he finds a beautiful futa nurse, Jade, standing over him.

Jade explains that the futas in the lodge have been tending to his injuries and healing him. Nick is thankful for their hospitality and offers to help out around the lodge.

He meets everyone and quickly falls in love with Kiki, a redhead, who has more than a passing eye for Nick.

Their dilemma is explained to Nick, who discovers that he has the power to turn the tide and defeat the Nowomorgasms who have trapped the Futanari race on Futanarieos.

This light hearted novella is the first part of Nick's story as he rises from being a lonely, single carpenter to the hero of a planet and people far, far away.

A country lodge that can travel through space filled with futas?

Why is Kiki so smitten with Nick?

Their home planet of Futanarieos was the second planet in the system with the gas giant being the third.

In many ways it was similar to Earth except Futanarieos had a higher oxygen content, making most things grow bigger causing all of the them to smile.

There were two different societies that evolved on Futanarieos, the Futanaris that sit at this table today and the Nowomorgasms who were jealous of the Futanaris.

As the Futanaris evolved over time they learned to live life to the fullest working hard during the day and playing hard at night. Things appeared to come easy to them from the perspective of the Nowomorgasms but in reality the Futanaris worked hard and treated their planet with respect.

They never took more than they needed from the land and always treated all animals and plants with the highest honor.

There were a few times over the years that the Futanaris reached out to the Nowomorgasms to show them a better way but each time led to war.

Finally, the Nowomorgasms turned their attention inward towards their failing society and were not heard from for hundreds of years.

The Futanaris society made great advancements during that time and were able to travel out to the stars. One day the Nowomorgasms appeared out of nowhere using a diabolical mutation to enslave the Futanaris.

Since they were unable to have an orgasm they decided to wipe all love from the planet and mutated their lips so that they could knock out the Futanaris. Once the Futanaris were knocked out the Nowomorgasms enslaved them using their special cum and milk to try and revive their society.

Their group was able to escape in the lodge which had the ability to move through space. The lodge itself is the ship and could jump from planet to planet, but given their appearance they had to keep a very low profile. Their bodies stood out on many planets and they had to be very careful when meeting others.

They were searching along with four other groups for the individual who had the right genetic makeup to rescue their people.

They learned during one battle that if they could wound the Nowomorgasms leader all of the Nowomorgasms would be affected.

This novella inches over 18,000 words and opens the door to the Futanari Universe.
