BOOK1: Sophie Sews for You

"It wasn't my fault! He was baiting me..."

Ever wanted to kick your boss where it really hurts? When a long retired detective points the finger of suspicion in a case of two missing women, rookie detective Kate Harris is landed with the donkey work. She must unlock the secrets of the victim's diary to identify a suspect, and find the strength to defy her irascible boss to get to the truth. They have a man in custody, but is he the right man? Has there even been any crime to investigate?

BOOK 2: Sally Does Hair

"Good God, Angela! What do you take me for? I wouldn't *do* anything with *him* if he was the last man on earth!"

Things had been going smoothly for hairdresser Sally Paxton until her creepy new boss came on the scene. Now, Sally's friend Louise has re-ignited an impulse to put right a disastrous mistake that has overshadowed Sally's life since she was fourteen. Her half-brother's estranged father is at the heart of that mistake. His idyllic riverside village life in England's tranquil Norfolk Broads seems an attractive escape from creepy Crowley. But a long retired detective hunting the killer of two missing women is digging the dirt on John, uncovering things Sally would prefer kept private. Will Louise's advice prove as disastrous as it did once before?

BOOK 3: Lucky, lucky Me!

"You'll never guess! I'm getting married..."

"We've got one here that's right up your street, Enoch. Young woman. Disappeared about twelve years ago..." In spite of warnings Sally Paxton is determined to follow her heart even when her loyalties are torn between her intended and his best friend. But as Sally prepares for the big day in a picture-postcard Norfolk village where romantic sunsets come blood-red and gold, she faces a nightmare discovery when a retired detective, obsessed with solving an old case, finally closes in on his quarry. Can innocence be conceded, or should the guilty be nailed?
