The Blank Screen: Blogging William Gallagher

Everybody tells you that you must have a website and you must have a blog but nobody tells you how – or why. In this book you will learn the key steps to creating your blog but, more importantly, what you can use one for and how it will become an important part of your creative work. BBC writer William Gallagher shows you how to write a blog that people will read – and then how to keep on writing new entries. See how to write fast blogs and more considered ones. How to make a blog that works for you because it works for your readers.
