**Mark Guerrero:**

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library as well

as to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself.
